# *Further Information You Might Need to Know...*

*The house is strictly non-smoking indoors (including vapes). Fireworks, Chinese lanterns, fake confetti, or anything else that will damage our environment is prohibited. We try to avoid noise pollution in our little glen, so we appreciate all noise to be kept down from 11pm onwards.*

*After your meal-times, whether self-catered or catered, we ask that you leave all plates and crockery on the side in the kitchenette, so we can clear them away for you each day - and all glasses should be left on the bar-top for us to wash. We can arrange a time to gain entry that suits you.*
